SOFTBALL ..... SHELTON FACES TUSCALOOS TOPS WEDNESDAY

The Shelton State women's intercollegiate softball team in on a blistering surge as they head into the final week of the PARA Fall League schedule this week.

Coach Steve King's talented squad sports an impressive 5 - 0 record, but most impressive is the fact that they have been scored on in only ONE game this season.

However, Shelton's unblemished record goes on the line this week as they face tough Elk Trading Company Monday at 7 p.m. . Wednesday, at 9 p.m., they challenge the Tuscaloosa Tops, the top women's softball team in the state over the past few years. Both games will be played at Bowers Park, Hutt field, #– 5.

Student support of our great team has been rather dismal so far, but now is the time that the girls need the support the most. So plan on spending several entertaining evenings at the 'old ball park and see softball at its best ...Shelton State style!
